

Kerbside Recycling Calendar 2013/2014

Every fortnight on the same day as your rubbish collection we will pick up your recycling.

Your recycling box needs...

Aerosols, glass jars and food cans. Don't let them spend eternity in landfill. Our research shows that 42 per cent of cans and 20 per cent of jars are still going to landfill. Please put them in your box so they can become new products.

Useful tips

- Tell us if you need an extra bag
- Additional recycling can be put in a similar container
- You can put your name and number on your box
- If you move house please leave your box behind
- If you don't have a box/bag contact 01305 251010
