The main symptoms of coronavirus are:

- a high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- a new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- a loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

To protect others, do not go to places like a GP surgery, pharmacy or hospital if you have any of these symptoms. Stay at home (self-isolate) and get a test.

Remember **Hands... Face... Space...** to help stop the spread

In the first step of the Prime Minister's roadmap, all pupils in England's schools returned to class from **8 March**, with mass testing and wider use of face masks in secondary schools.

There was a further easing on **29 March**, with groups of up to six people or two households allowed to gather in parks and gardens.

Shops, hairdressers, gyms and outdoor hospitality, as well as self-contained holiday accommodation, can reopen on **12 April**. A review of international leisure travel restrictions will also be announced.

From **17 May**, two households or a group of six may be able to meet indoors in a pub or other hospitality venue such as restaurants.

Cinemas, museums, hotels, performances and sporting events will also reopen, with up to 30 people able to attend weddings, receptions, funerals and wakes.

The final step from **21 June** will potentially see all legal limits on social contact removed, with the final closed sectors of the economy reopened - such as nightclubs.

Progressing along the schedule will depend on four tests: the success of the vaccine rollout, evidence of vaccine efficacy, an assessment of new variants, and keeping infection rates below a level that could put unsustainable pressure on the NHS.

There will be a gap of at least five weeks between each of the plan's subsequent steps to allow for the impact of changes on infection rates and hospital admissions to be assessed.

Each stage in the easing of restrictions would be confirmed one week beforehand, said Mr Hancock. This means there would be four weeks to assess the impact of each previous relaxation.

CHIDEOCK PRAYER NET

These are stressful times: at the time of writing we can't meet friends or family; we can't go to the pub, coffee shop or hairdresser; we can't go to church. But we can pray, and members of St Giles have always prayed for our village and neighbours. If you would like prayer for a concern you have, or to share your thanks for something (because good things are still happening!), please send an email to chideockprayernet@gmail.com. Your request will then be sent on to individual members of St Giles. Your request will be kept confidential, and can be anonymous if you wish; even those receiving the request won't know who else is getting it. Peter Stapleton, St Giles PCC

The 100 plus club : Restarts 1st May : Be In It to Win It

The Hundred Plus Club was started by Tony Fuller in 2012 and it became an instant success raising well needed funds for our Local Chideock News

Due To declining health Tony passed on the Administration to Julia Greenshield who has run The 100 plus club admirably well over the last few years. Julia is now passing the Administration on to Anna Dunn.

Anna would like to restart the 100 Plus Club on the 1st April and to do this we need your help once again to raise the much-needed funds for our Magazine. The ticket numbers will be kept at £12.00 each for this coming year.

Payment for the numbers can be by a variety of methods. Whichever method is chosen please do supply your Name your Address and your Phone Number and an email Address if applicable which will enable us to make the payments to you in a timely fashion.

Payments can be made by:

(1) Cheques payable to: 100 Plus Club (Chideock News) ... (and dropped into Anna's post box)

(2) Cash which can be dropped into Anna's post box with a covering note with all of your details.

Or (3) Bank transfer to: Sort code 77 50 35

Account Number 19265860

(If paying by bank transfer please remember to pass on your details to Anna to enable her to allocate your payment to your number)

If none of the above methods work for you please either telephone Anna or write to her and she will then make arrangements to pick up the said monies before the start of the new Draw.

All proceeds from the Draw will be allocated as follows: half of the income generated will become the prize money divided by 12 months to give the monthly prizes. The other half of the income will go directly to the Administration of the Chideock News.

As we are restarting the 100 Plus Club we will be allocating new numbers for the draw. So if your previous number/numbers weren't lucky you now have the opportunity of getting a fresh one /s or if you would like to possibly keep your old number you will have to be quick before it possibly gets allocated to someone else. The more numbers we sell the bigger the prizes the larger the donation to the News. New contact details are as follows:

ARE YOU INTERESTED IN CHIDEOCK HISTORY?

We are in the process of setting up a new website in connection with the history of Chideock. The Chideock Society holds a huge archive of old photographs and other memorabilia and we hope over the next months to 'scan' all this material in to the new website so it is held safely and for everyone to see. The hard copies can then be placed with the Dorset Archive. If you can help in any way please contact Lyn Crisp on 01297 489098 or email me at lyncrisp@chideockandseatown.co.uk. We will also provide a link from the Community website to this new 'history website'.

DIAL A FRIEND – COASTAL CLUSTER

Maybe you know of someone, or you happen to be that someone, who lives alone and has little social contact. Are you aware of what is available? Do you live in the Chideock, Morcombelake or Lyme Regis areas and would like even a brief visit, maybe simply for a talk. We are members of a Team from these local churches. Would you like to meet us and see what we can share together? If you would then please just call Anne: 01297 442 558; Ann: 01297 489 532. (NOTE: obviously visits are temporarily suspended).

THANK YOU

I would like to thank all our friends in Chideock for the lovely flowers and kind messages of condolence sent to me on the death of Gerry, they were very much appreciated and comforting.

We both loved our time in Chideock and the decision to leave was very hard for both of us, but we knew it was the right thing to do.

I hope I'll be able to visit Chideock some time soon,

My very best wishes to you all.

Shirley Lambert

THANK YOU

I would like to say a huge 'thank you' to Chideock WI for their very kind and generous donation of £200 to go into the parish magazine funds. It is a very welcome donation.

Ruth Wrixton, Hon. Editor

WI Report

With Easter upon us members have been busy designing and making Easter Bonnets. Although these couldn't be displayed in our usual way, members sent in photographs of their creations to be shared and appreciated.

Whilst on the subject of Easter. The WI will be holding its annual Cake Stall on Easter Saturday, 3rd April. Please see the poster elsewhere in this edition. We continue to support Macmillan Nurses by making comfort and seat belt cushions. A new delivery will be made before Easter.

The Book Group has met via Zoom. This month's discussion was centred on Douglas Bain's Booker Prize Winning novel, 'Shuggie Bain', which was most thought provoking and evoked a roller coaster of emotions.

As the Government has outlined its road map out of 'lockdown' we are hopeful we will be able to return to meetings once again; the Committee has an exciting programme planned for the coming year.

We always welcome new members and with a Walking Group, Craft Group, Garden Club and a monthly Lunch and a Natter there is something that will appeal to everyone. We are a very friendly crowd so we do hope you will come and join us. We meet in the afternoon on the 1st Tuesday each month. Please ring Tish (01297 489200) or Lee (01297 480941) to have a chat. We look forward to seeing you.

Please note that the Clerk works 30 hours per month so may not respond immediately. The Council continues to lobby various individuals, organisations, and bodies regarding the A35 issues experienced by the village.

The Council continues to lobby various individuals, organisations, and bodies regarding the A35 issues experienced by the village.

Parish Council meetings will be held virtually using Zoom, until such time as the Village Hall is available. The meetings will continue to be at 10 am on the last Tuesday of the month.

Members of the public are welcome to attend “virtually” – if you wish to do so please e-mail the Clerk prior to the meeting to be sent an invitation. You will require a PC, laptop, or tablet / smart phone, with a video camera and microphone.

Casual Vacancy.

David Rogers retired from the Parish Council on 23 February, having served since May 2015. He will be missed by his fellow councillors and the Clerk, and we all wish him well for the future.

There was no request by 10 electors for an election (deadline 16 March), so the vacancy must, if possible, be filled by co-option.

Do you enjoy living in Chideock, and would you like to play a part in decision making for the village? If so, have you considered joining the Parish Council? The council needs a good mix of people living or working in the parish; 18 years and over, working age, or retired.

Do you possess any, all or some of the following skills?

Good at mediation, forward thinking, like helping others, enjoy lively debate, can make awkward decisions without fear or favour, interested in learning how some of our lives are run by others, have a large amount of common sense and can agree to disagree with others who may not share your views?

If your answer is **YES** to any of the above, why not share your skills to benefit the village? A Parish Council has few powers but is the means by which those who do have power can be contacted and chased up on their responsibilities to communities.

Training is provided by the Dorset Association of Parish and Town Councils (DAPTC) and expenses are paid for cost of travel made on behalf of the Parish Council.

More information on being a councillor can be found on the Parish Council website under the 2019 Elections tab or contact Sal Robinson, the Clerk.

If successful, you will be required to complete an entry in the parish council's register of members' interests. This involves putting your address, employment, relevant major shareholdings and membership of charities, pressure groups, political parties etc., on public record.

Qualifying Criteria to be a councillor: -

- Age 18 or over
- One of the following conditions applies:
 - is an elector of the Parish
 - has for the previous 12 months owned or rented land or premises in the Parish
 - has for the previous 12 months worked primarily within the Parish
 - has for the past 12 months either resided in the Parish or within 3 miles of it.

Applications must be received by the Clerk on or before 15 April.

Applicants will be invited to attend the Parish Council meeting on 27 April to give a short summary of why they wish to be a councillor. Current councillors will then vote.

Summary of responses to the “Chideock High Street” document.

7.1% of residents responded, assuming a population of 520

- An alternative route. Yes – 5, No – 2
- Single lane with Traffic Lights. Yes – 0, No - 17
- De-trunking. Yes - 11, No - 2

- Traffic problem need sorting out. Reduce - 6, Divert - 8, Alternative Route -1
- Conclusions.
 - There appears to be a divide between those on Main Street and those living over 100m away from it, who do not suffer the A35 problems.
 - Support for a 20mph limit; reduction of congestion, pollution, and traffic; safety improvements and pedestrian crossings; 3ft pavement both sides with two lane traffic.
 - No support for a single lane with traffic lights
 - Support for de-trunking
 - Division over a bypass within the parish

Misconceptions found in responses to the “Chideock High Street” document.

Councillors feel that it is important that these be corrected.

1. The Parish Poll showed support for a bypass outside the parish. But other Parishes have the same view and do not want a bypass through their area.
2. The A35 is part of the Strategic Road Network from Dover to Portsmouth and cannot be de-trunked as there is no alternative route.
3. The 30mph speed limit trial on Chideock Hill was neither proposed nor sanctioned by the Parish Council. It is a Highways England initiative.
4. Current legislation does not permit Low Emission Zones / Clean Air Zones on the Strategic Network.
5. Highways England data suggests that use of the A37/A30/A303 as a direction signed alternative route would only give a 7% to 10% reduction of traffic.
6. Provision of additional footways is impossible if 2 -traffic is maintained, as it would narrow the carriageway to less than the required minimum width for a trunk road. It is understood that the road was widened for this reason in the 1970s by removing some front gardens and at the same time narrow footways were created in some locations.

Seatown Beach.

The beach owner has informed the Parish Council that: -

Both Paul Wiscombe and Sarah Higgins will continue to operate the pizza oven and sauna respectively in 2021, from the hard standing he owns.

He hopes that two or three other concessions may join them this year. The intention is that whoever operates from that space complements the other concessions and offers an amenity to both visitors and locals.

Public liability through insurance cover, food hygiene standards and general best practice will be followed and are of paramount importance to him.

As Covid-19 restrictions are relaxed this year, he expects that the South West will be a very popular tourist destination throughout 2021 and hopes the visitors to Seatown, new and old, will have the same affection he has for it.

He is very happy to answer any questions interested locals may have.

There is now a webpage for the beach - www.seatownbeach.co.uk ; and an e-mail address for enquiries and questions - info@seatownbeach.co.uk

“Many Hands Make Light Work”!

The fencing and play equipment at Clapp’s Mead are in need of a bit of TLC. The wooden items need treating with preservative and metal items need repainting – they were last done in 2012 for the Queen’s Jubilee.

This work will be done once the weather improves.

6 people socially distanced can do in an hour what would take 1 person 6 hours.

Please let the Clerk or a councillor if you would be willing to put in an hour or so to help, and you will be contacted when a “working party” has been arranged.

The Mystery of the Missing Mobile Phone

Recently, I returned home one night late and tired . I took my mobile phone out of the car to charge it indoors. The next morning I couldn’t find it. Ah, I thought, I know what to do. I will take my wife's phone and ring my one, in the garage. Bingo, it seemed to ring in the back of the car, but I couldn’t find it. I know, I will ring it again, but this time here was no ringing tone as the battery had run out! My wife and I carefully searched the car three times without success. So I decided to buy a new phone. After all, my lost one was very old. Two weeks later I was in Dorchester and called into my garage at Honda and asked David the Service manager to help. He took all the seats down. Again, no luck, no mobile phone.

A day or two later I went to the car wash at Morrisons, entered the code but the machine would not start. To avoid having a bath I reversed the car back to the pin machine. The car behind hooted loudly. Feeling very irritated I got out of my car, told the driver behind that machine was not working properly and that he was too close to me anyway! I re-entered the code. This time it worked, washed the car and I went home.

Twenty minutes later the doorbell rang and an old colleague who used to live in Chideock stood there holding my mobile phone! He was the person I had shouted at in the car wash and as I drove off he saw the phone on the ground. Apparently it had been sitting on my car roof for over two weeks travelling about West Dorset and never fell off until the car wash got it! Had Ivan, who knew me, and knew where I lived, not been behind me in the car wash I would never have solved the mystery.

Jim Pettifer.

BRIDPORT NEWS 21 June 1862

On Tuesday last, the Coast Guards at this place seized a keg of brandy, found flowing off that station and it was forwarded by Her Majesty's Revenue Cutter "Francis" to the Custom House, Bridport, for delivery up to L.M. Maxton Esq., Collector of Customs. We understand other kegs were picked up to the westward and delivered up to the Customs authorities, Lyme.

BRIDPORT NEWS 21 March 1863 : CHIDEOCK

This pleasant little village was exceedingly gay. Triumphant arches were erected in the streets, and from most of the principal houses banners were flying; and the bells rang merrily, and guns were fired from the Castle and the tower. At two o'clock, a procession was formed at Mr William Payne's, churchwarden, where our old and much respected friend, Joseph Hallett Esq., mounted a very handsomely decorated chair, provided by the ladies of Chideock and was carried through the principal streets. Bread and cheese and cider was given freely to all in a room provided by Mr William Cornick. Tea and cake was also provided for the school children and old people; after which dancing commenced, and was kept up with spirit until past midnight. Mr. Thorn kindly prepared the room, Charles Weld Esq., gave a good supply of beef and potatoes to all the poor families of the village. Mr. Richard Tucker supplied all his workpeople with the wherewithal to make merry and Mr Jerrard also prepared an excellent repast of roast beef and plum pudding for his labourers and their families. Great praise is due to Mr William Cornick and Mr William Payne for the energy they displayed in carrying out the proceedings of this memorable day.
